Consultation Questions on EQIA

- a) Do you think that the proposals have any adverse impact on equality of opportunity and /or good relations for any of the groups described in the documents?
Please state the adverse impacts that you feel are likely.
- b) Please state how you feel these adverse impacts could be reduced or mitigated.
- c) If you feel the adverse impacts cannot be mitigated within the current proposals, please suggest alternative proposals that could be considered.
- d) Do you have any suggestions that you feel would improve the promotion of equality of opportunity and/or good relations in relation to these proposals?
