Description

Angel Eyes NI is a charity that supports families in Northern Ireland who have a visually impaired child. It is run by parents of blind and partially sighted children to provide emotional and practical support for parents in the same position. We deliver information days, organise family days, and events for children such as drama workshops and watersports sessions. Our aim is to empower parents with information and support to help enable their children to fulfill their potential. We aim to help parents with all the new challenges they face and make the future a little brighter.

Services offered:
- Drama
- Clubs and classes
- Trips and outings
- Other sports
- Support groups
- Emotional support
- Educational support
