Ulster Hospital Maternity Unit

a new modern purpose built facility

Enjoy all the state of the art facilities at the new Maternity Unit. From mid-summer 2007, the friendly and experienced staff of the Maternity Unit at the Ulster Hospital are supported by a superb new building.

Baby Baths

Modern built-in baby baths & changing units in every room.

Coffee Shop

There is now a small cafe on the ground floor and a children's play area adjacent to the main waiting area where mums-to-be can sit in comfort awaiting their routine scans & appointments.

Impressive Atrium

Outpatient's Waiting Area & Children's Play Area

Birthing Pool & Home from Home Suites

Designed with the comforts of home in mind and much more, these spacious rooms with views to Scrabo Tower offer lots of choice for an active labour including the opportunity to use the ensuite birthing pool.

Spacious wards
