

We are always interested to hear the views of local women. If you would like to attend the next meeting or to send us your comments you can contact us by telephone, email or post.

If you would prefer a member of the group to contact you, please let us know.

“One Voice”*

## Who Are We?

“One Voice” is the name of the Maternity Services Liaison Committee at the Ulster Hospital. It was set up in 1997 to extend and improve Maternity Services suitable to the needs of local women.

## What Do We Say?

We meet four times a year. To date we have influenced the development of breastfeeding advice, choices in labour and an improved booking procedure.

## Mission Statement

*“To bring together users and health professionals in an open and relaxed setting to improve quality and choice through discussion, listening and action.”*
